

Year 11 Mathematics Approval Form

Students considering selecting Mathematics Advanced or Extension 1 Mathematics for the Year 11 course ideally need to gain approval from their respective Mathematics teachers as well as the Head Teacher Mathematics prior to making their mathematics subject selection online.

Any student who chooses these courses and does not follow the approval process will be placed in the mathematics course that the Head Teacher Mathematics feels is appropriate for them based on their performance in Years 9 and 10 and in consultation with their class teacher.

What to do:

1. Students are to discuss their choice with their parents and their Mathematics teacher.
2. Students who wish to do Mathematics Advanced or Extension 1 Mathematics must have this form signed by their Mathematics teacher and the Head Teacher Mathematics.
3. Please complete the details required in the form below.

Student Name: _____ Year 10 Mathematics Class: _____

Mathematics Teacher: _____

I wish to choose: (Place an X in one of the following boxes)

- Mathematics Advanced only OR
- Mathematics Advanced and Mathematics Extension

Year 10 Assessment Task 1 Result:	%
